- |                                |                              |
|--------------------------------|------------------------------|
| (1) Ring gear                  | (23) M30 x 1.5 locking screw |
| (2) Planet gear                | (24) Seal                    |
| (3) Pin                        | (25) Ring                    |
| (4) Circlip                    | (26) Shim                    |
| (5) Needle roller cage         | (27) Roller bearing          |
| (10) Allen screw               | (28) Roller bearing          |
| (11) Plate                     | (29) "O" ring                |
| (12) Pin                       | (30) Seal ring               |
| (14) Planet carrier            | (31) Rear axle half shaft    |
| (15) Final drive housing       | (33) "O" ring                |
| (16) Seal                      | (35) Shaft                   |
| (17) Magnetic plug             | (40) Spacer                  |
| (18) Allen screw               | (41) Cover plate             |
| (19) Cylindrical screw         | (42) Allen screw             |
| (20) M12-165-10.9 threaded rod |                              |
| (21) M12-10 nut                |                              |
