

## OMT215996 - CT322 and CT332 Compact Track Loader Adjusting Pedal Angle

---

### Adjusting Pedal Angle

T194730A-UN: Bolt

LEGEND:

1 - Bolt

The angle of the pedals can be adjusted to suit different operators or different footwear which affects foot position.

1. Loosen bolt (1), and move pedal to the desired angle.
2. Tighten bolt.
