-: Hydraulic Coupler Serial Number

Hydraulic Coupler Serial Number

VD76477,0001375-19-20100827

Keep Proof of Ownership

TS1680-UN: Product Identification Number

1. Maintain in a secure location an up-to-date inventory of all product and component serial numbers.
2. Regularly verify that identification plates have not been removed. Report any evidence of tampering to law enforcement agencies and order duplicate plates.
3. Other steps you can take:
 - Mark your machine with your own numbering system
 - Take color photographs from several angles of each machine
