

GROUP INDEX

Group	Items involved
General information	Scope, Truck models covered, Serial number locations, Dimensions, Technical data
Cooling system	
Electrical system	Console box, Battery, Major electrical components, Lamp bulb specifications, Advanced control system, Electrical system schematic
Power train	
Clutches	Dry-type clutch, Wet-type clutch
Manual transmission	
Powershift transmission	Transmission, Control valve
Front axle and reduction differential	Front wheels, Front axle, Reduction differential
Rear axle	Rear wheels, Rear axle
Brake system	Master cylinder, Wheel brakes, Wheel cylinders
Steering system	Steering gear, Power cylinder
Hydraulic system	Tank, Pump, Solenoid-operated control valve, Lift and tilt cylinders, Down safety valve
Masts and forks	Dual-stage panoramic mast
Troubleshooting	
Service data	Maintenance standards, Maintenance schedule, Periodic replacement parts, Lubrication chart, Special service tools, Inspection guide
